TCA provides flight school services for real persons looking to secure their FAA pilot's license. All training is done by FAA licensed personnel in FAA licensed training aircraft – all personnel licenses can be reviewed directly on the FAA's website. Student agrees to contract with TCA to provide Certified Flight Instructor ('CFI') services and plane rental to secure his or her FAA pilot's license. TCA does not guarantee Student's success in passing any FAA exams, which is dependent on Student's abilities.

Student releases and indemnifies TCA from all claims, causes of action, damages, and injuries growing out of Student's mental or physical incapacities or conditions. Student shall always observe and conform to TCA's and the FAA's rules and regulations – Student shall be given a copy of TCA's policy and rule manual as part of his or her registration process. Student's agrees to and shall comply with all the terms and conditions of TCA organization, trainers, and officers.
